Must run in 3 of the 4 of the 5 shows to be eligible for series end awards. **BELLFLOWERS MUST BE SPECIFIED AT SIGN UP**

Under Kentucky law, a horse-related activity requires certain medical professional or other persons that have the duty to determine all risks of injury of participants in horse-related activities. These persons are liable for any injuries that you voluntarily accept if you participate in horse-related activities. KRS 204.00101

Thank you to all of our wonderful sponsors!

Pre entries open the tuesday before on Saddlebook.

HORSE RIDERS AND HANDLERS!!

Have you been injured by a horse, whether mounted or on the ground? The University of Kentucky and the UK HealthCare want to know your story! You are being invited to take part in a research study conducted by the University of Kentucky to gather information about horse-related accidents and the resulting injuries that riders and handlers sustain. We anticipate this survey will take about 15-20 minutes of your time. We hope that the results will help us improve the safety of the sport we so love!! To access the survey, click/tap below!

Horse related injuries and pain survey

This is a survey regarding safety around horses and the medical attention you soug...
